

Kamakaben Global Brand Profile

Smell Thailand. Remember Yourself.

Kamakaben is a Thai scent culture brand that turns fragrance into memory, ritual, learning, and emotional renewal. It is designed for global culture seekers, wellness explorers, creative spaces, hotels, museums, and partners who want Thailand to be experienced through scent.

What Kamakaben Builds

Kamakaben creates scent cards, home fragrance, room sprays, discovery kits, QR-linked knowledge journeys, workshops, and signature scent experiences for cultural spaces.

Signature Scent Territories

Scent	Cultural doorway	Use case
Rain On Teak	First rain, teak houses, wet earth	Reset after heavy days
Jasmine At Dusk	Evening jasmine, tenderness, care	Night ritual and gratitude
Temple Morning	Soft incense, flowers, morning light	Intention setting
River Market	Herbs, spice, citrus, river life	Creative exchange
Golden Field	Rice, warm grass, rural landscape	Grounding and reflection

Partnership Opportunities

Hotel signature scent, gallery or museum scent journey, tourism gift set, city branding activation, cultural diplomacy gift, retail discovery kit, and workshop experience.

Learning Model

Sense, Name, Decode, Ritualize, Reflect, Share. The experience begins with smell, then turns sensation into cultural learning and personal meaning.

Non-Medical Rehab Position

Kamakaben uses rehab to mean emotional reset, cultural reconnection, and learning recovery. It does not make medical treatment claims.
